Bed Bug Preparation Checklist - Toronto Homes

Bed Bug Preparation Services Toronto | +1-647-905-7199 | 24/7

Always follow your exterminator’s prep sheet first. This checklist fills in the how-to. Health Canada: "Whichever treatment is used, it only works if physical control and prevention are done along with it."

WHOLE UNIT

- [ ] Clear bags for clean items, opaque or labelled bags for untreated items
- [ ] Set up a clean zone near the door for sealed, laundered bags
- [ ] Seal items in the room before moving them
- [ ] Remove all cardboard boxes (harborage)
- [ ] Clear floors so baseboards and carpet edges are visible
- [ ] Pull furniture about 2m from walls

LAUNDRY

- [ ] Wash at 60C or higher where labels allow
- [ ] Dry on high heat at least 30 minutes after dry
- [ ] Store in NEW clean sealed bags, never the original bag
- [ ] Seal dry-clean-only items and tell the cleaner

BEDROOM

- [ ] Strip all bedding; launder at 60C+
- [ ] Vacuum mattress and box spring seams; seal vacuum contents
- [ ] Pull bed frame from wall; expose joints; clear under bed
- [ ] Empty nightstands, dressers and closets; remove drawers
- [ ] Have certified encasements ready for after treatment

LIVING ROOM

- [ ] Remove cushions; launder removable covers
- [ ] Pull sofa and chairs from walls
- [ ] Take down picture frames and wall decor
- [ ] Clear shelves; seal books and paper

KITCHEN

- [ ] Seal food in containers or a lidded bin, if the sheet asks
- [ ] Clear counters; open cabinets as directed
- [ ] Unplug and move small appliances
- [ ] Seal pet food; wash pet bowls

BATHROOM

- [ ] Empty vanity and cabinets; seal toiletries
- [ ] Launder towels and bath mats at 60C+
- [ ] Seal medications and keep them with you

CLOSETS AND STORAGE

- [ ] Empty fully, including floor and top shelf
- [ ] Sort: keep sealed / launder / discard; label every bag
- [ ] Ask your exterminator about storage lockers

ELECTRONICS AND PAPER

- [ ] Unplug and pull electronics from walls; ask before heat
- [ ] Seal books, files and documents; keep IDs with you

TREATMENT MORNING

- [ ] Pets out; people out as instructed
- [ ] Medications, IDs and phone chargers with you
- [ ] Leave a note for the technician about anything unfinished
